60-Years of Radio Laughs Under One Cover!

Hi Hi—Ham on Wry. Bouncing off the E-layer and spiraling out of the pen of veteran Amateur Radio operator Dick Sylvan, W9CBT, *Hi Hi* provides solid 5 and 9 laughter.

Drawing on six decades of on-air adventures, Dick offers an insider's view of the bliss and twists of Ham Radio. *Hi Hi* makes a great gift for any Ham—to give or get. Each of the book's three sections: Ham Lingo, Ham Quips and Morse Quips & Tips, looks Ham Radio square in the eye and finds it—hilarious—and so will you. So, drop that key, put down that microphone, stow that keyboard and order your copy of *Hi Hi—A Collection of Ham Radio Cartoons*.

Available at www.k9ya.org/w9cbt, this collection of Dick's cartoons includes and greatly expands his body of work originally published in the *K9YA Telegraph*, a monthly, general interest, Amateur Radio e-Zine.

Now in his sixth decade of Hamming, Dick retains all the enthusiasm for the service that originally brought him into the fold. He is an avid and skilled operator who works several modes, both QRO and QRP, and still finds the time to pursue his profession as industrial designer, write articles and create cartoons for the *K9YA Telegraph*.

Every month Dick's work wins accolades from Amateur Radio operators subscribed from more than 90 countries. His fan letters greatly exceed the praise for all other features combined. On occasion, his well-conceived fantasy contraptions have garnered serious queries as to their availability, price and shipping time!

Influenced by the gadget-filled and hilariously skewed world of legendary cartoonist Rube Goldberg, Dick brings that visionary's spirit to Ham Radio.

Hi Hi delightfully and whimsically captures the special brand of humor Ham Radio has generated over its 100-year history.
