

**FLASH!!!**

**SUBJECT:** HAM Radio was started to take as a course in our university!

Hi!

My name is Özgür ÖZ. I'm a lecturer and coordinator of Department of Electronic Communication in Dokuz Eylül University, İzmir Vocational School. My Call sign is TA3GD.

"HAM Radio" was added as a course to Educational Schedule of Department of Electronic Communication with the reason of decision by University Senate in Dokuz Eylül University, İzmir Vocational School, <http://www.imyo.deu.edu.tr/>.

As an addition to realize a cooperation with Konak Section of TRAC ([www.ta3km.org](http://www.ta3km.org)) which is seen as an authority in the subject of Amateur Wireless by IARU, Amateur Radio Communication Group is founded with the aim of helping about personal process of students with the addition of their vocational process.

This study which is first one in the history of "Turkish Amateur Radio" will complete a huge deficiency in the area of radio amateurism.

Thanking you in advance for giving this matter your attention.

Yours faithfully.

Özgür ÖZ, TA3GD.

**FLAŞ!!! (Original Message)**

**KONU:** Radyo Amatörlüğü üniversitede ders olarak okutulmaya başladı!

Merhaba!

İsmim Özgür ÖZ, İzmir Dokuz Eylül Üniversitesi Meslek Yüksekokulu Elektronik haberleşme bölümünde Öğretim görevlisi ve birim koordinatörüyüm. Amatör Telsiz Çağrı işaretim, TA3GD.

İzmir'de bulunan Dokuz Eylül Üniversitesi, Meslek Yüksekokulu Elektronik Haberleşme bölümünde Üniversite Senatosu kararı gereği "Radyo Amatörlüğü" Meslek Yüksekokulu Elektronik Haberleşme Bölümü eğitim programına ders olarak dahil edilmiştir, <http://www.imyo.deu.edu.tr/>.

Öğrencilerin, mesleki gelişmelerinin yanı sıra kişisel gelişmelerine de katkıda bulunmak amacıyla üniversitemizde Amatör Telsiz Haberleşme Topluluğu kurulmuş buna ek olarak Amatör Telsizcilik konusunda IARU' nun tek otorite olarak gördüğü TRAC'ın Konak Şubesi ile ([www.ta3km.org](http://www.ta3km.org)) iş birliği yapılmıştır.

Türk Amatörlük tarihinde bir ilk olan bu çalışma, radyo amatörlüğü alanında büyük bir eksikliği dolduracaktır.

Bu konuya göstereceğiniz ilgiden dolayı şimdiden teşekkür ederim.

Saygılarımla.

73 'ler  
Özgür ÖZ, TA3GD.
